ALL YOU NEED TO KNOW

BE PREPARED

- Please send me over any inspo you have for your session... you can share a Pinterest board, whats app me, insta msg or email! I really don't mind. Its just so I can see what you are dreaming of for your photos.

If you don't have any thats ok too, leave it to me we will have fun and capture you like you have never seen before...

- Once we have decided on where we want to head with your session we can start to think about outfits. I have a client wardrobe and some contacts at different brands and of course you have your wardrobe also.

- When choosing from your wardrobe, think statement pieces, colour tones that will work with the mood board. Also using pieces that have movement can look amazing as well as accessorising. - Feel free to get creative with your outfits

- If you have lots of outfits... bring them all!! it means we have lots to choose from and work with. Before we start shooting we will come up with an outfit plan. I love dress ups so if you are unsure, I got you!

BE PREPARED

- For all sessions its a good idea to bring a towel or something to get changed behind some places do not have bathrooms. Don' t worry I will help you and we can make it very discreet. And as most of you have done before you you can use the car change room! The towel is also useful if we are using water in the shoot to wet your hair or all of you.

- Its a nice idea to think about your nails! your hands will be in the shots. This also brings me to hair and makeup... This is up to you most emow-erment babes do it themselves but I can recom-mend some HMU babes if you would like.

- Please allow yourself plenty of time to get to your location, as I want you to be relaxed when you arrive.

- if we are doing swim ware or partially nudeI suggest to avoid wearing snug un-derwear that will leave marks on your skin before the shoot.

- lastly for now! Trust me I am here to get you shots that you cant wait to share, have fun and don' t be afraid to try something different.

THE BORING BITS

- I do have the rights to the images however if you write to me to say there are some particular images you don't want shared on socials I always honour this.
- A 25% deposit is due on booking and then the other 75% 1week before your session. If you want to set up a payment plan this is available. You can pay with cc, bank deposit or pay pall.
- You can upgrade or add extra retouched images to your package after you have seen the images.
- There is a travel fee if the session is more than 25km from Sydney city. This is discussed before you book your session.
- You can not re edit the images
- Please tag me when posting images, this is not a rule, it's just nice! We will be friends after the shoot anyhow so I'm sure you will be itcing too!
